CONTEXTO

Desafios iniciais

Dados coletados pelos estudantes de mestrado

Armazenar e disponibilizar os dados coletados nas empresas onde os estudantes de mestrado desenvolviam suas dissertações (*field labs*) para que outros estudantes, investigadores ou professores pudessem reutilizá-los;

CONTEXTO

Desafios iniciais

Dados requisitados pelas revistas

Possibilitar que as revistas às quais os autores submeteram seus trabalhos possam aceder, durante o processo de revisão por pares, aos dados utilizados no desenvolvimento dos artigos.

Tipos de dados a serem armazenados no repositório

- **Dados adquiridos pela biblioteca**
- **Dados recolhidos pelos investigadores dos centros de conhecimento**
- **Dados obtidos durante a execução das teses de mestrado e doutoramento**
- **Dados utilizados nos artigos científicos, solicitados pelas editoras para publicação**

Workflow – Revisão

The screenshot shows a web application interface for reviewing requests. At the top left is the NOVA School of Business & Economics logo. To its right is a search bar with the text "Search on NOVA School of Busi...". Further right are links for "Upload", "My data", a notification bell, and a user profile icon labeled "RS". A dropdown menu is open from the "RS" icon, listing: Administration, Statistics, Review requests (1), Profile, Settings, Applications, Batch management, and Logout. Below the navigation bar is a large search input field with the placeholder text "Search for requests...". To the right of this field are two filters: "Status (Under review)" and "Assi". Below the filters is a filter indicator showing a green circle and the text "UNDER REVIEW". The main content area displays a user profile for "Susana Lopes" with a note "Request 1 Submitted today". Below the profile is a card for a "DATASET" titled "Library Strategic Plan" with the status "Unassigned".

Workflow – Revisão

The screenshot shows a document review workflow interface. On the left, a document titled "Strategic plan.xlsx" (16.7 kB) is displayed with a table of contents. The table has 11 rows, with the first row being a header and the following rows containing text. Below the table, there are navigation tabs for "Strategic plan", "Management", "Technical services", "UX", "Open Science", and "Pure|RUN". A "Strategic plan.xlsx" file is listed below the tabs. On the right, a "Request details" panel is visible, showing the document was submitted on 13.11.2023 by Susana Lopes (susana.lopes@novasbe.pt). The panel includes an "Assign request" button and a message: "You can approve or decline this request only if you are the assignee". At the bottom, there is a footer with navigation links: About, Tools, NOVA SBE Library, How to, Contact, Help, Privacy Policy, Cookie Policy, Legal information, Terms, Disclaimer, and Sitemap.

The screenshot displays a digital library interface with a dark theme. At the top, the NOVA logo is visible, along with navigation links for 'Browse' and 'Search on NOVA School of Busi...'. A user profile icon labeled 'RS' is in the top right. The main content area features a document titled 'Library Strategic Plan' with a 'Download (16.7 kb)' button and a 'Review' button. A modal dialog box titled 'Approve item' is centered on the screen, containing the following text: 'Publishing this item will make it permanently available. This content will be licensed as CC BY 4.0. Please see [terms](#).' Below the text is a text input field with the placeholder 'include a message for the author (optional)'. At the bottom of the modal are two buttons: 'Cancel' and 'Approve and publish'. The background interface includes a sidebar with 'Data to support...', 'CATEGORIES' (Information and computing sciences), 'KEYWORDS' (Advanced Library Services), and 'LICENSE' (CC BY 4.0). On the right side, there are buttons for 'Review' and 'Edit', and a section titled 'Are you done reviewing?' with options 'Approve & publish' and 'Decline & return'. A footer at the bottom contains various site navigation links.
