# FCT | FCCN

FCT is the Portuguese public agency that supports **Science, Technology and Innovation**, in all scientific domains.

## FCT's vision:

- To establish Portugal as a global reference in science, technology, and innovation.
- To ensure that knowledge generated by scientific research is used fully for the well-being of all citizens and economic growth.

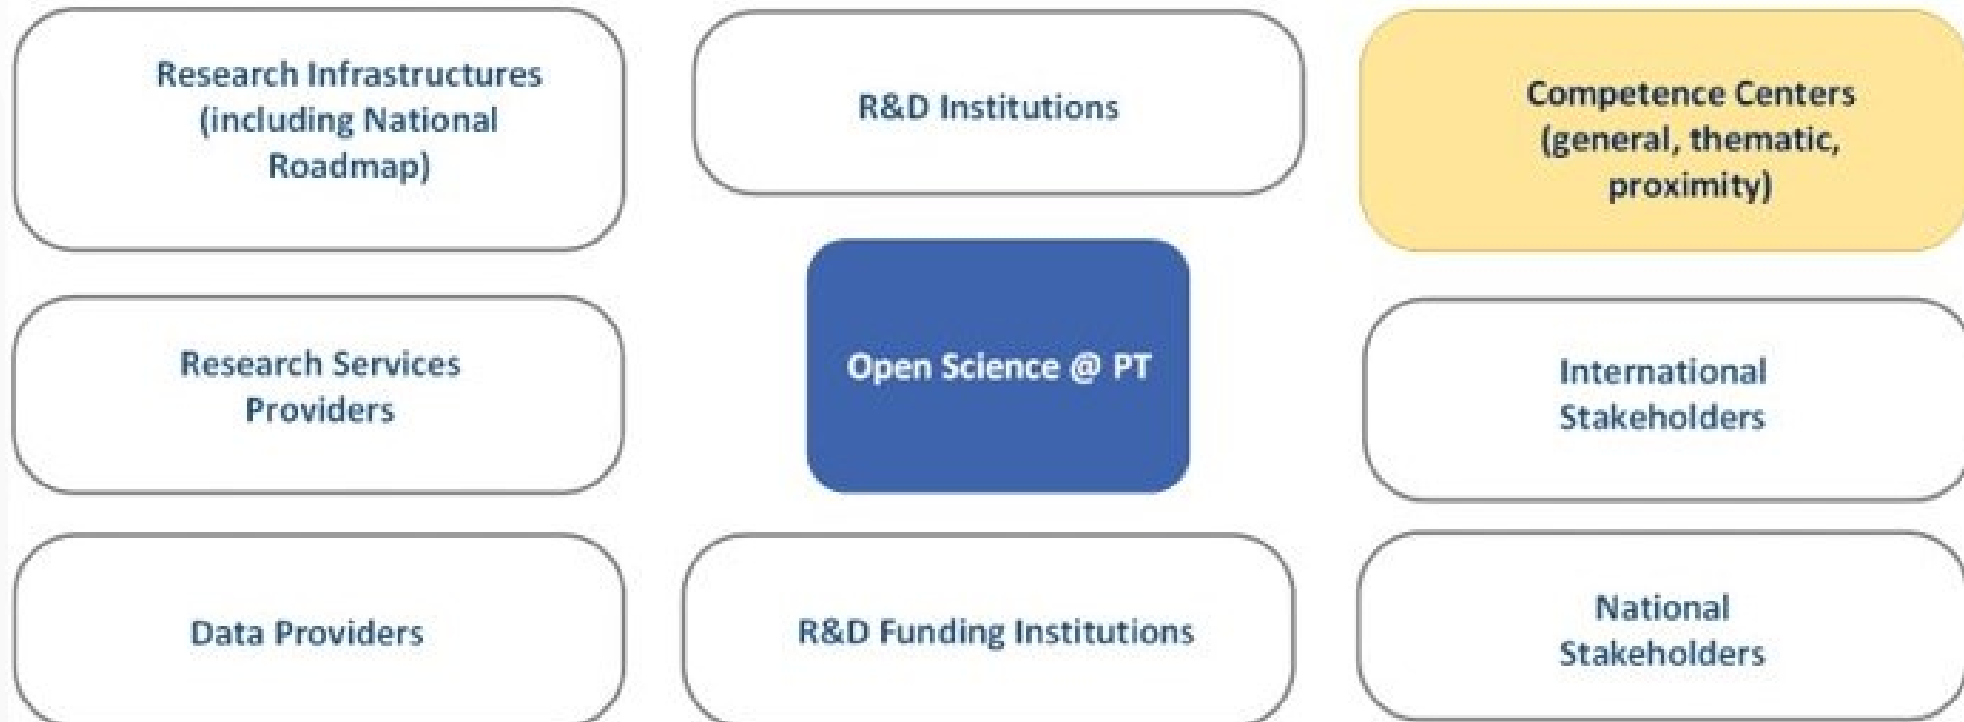

## Funding

## FCCN – Technology for Knowledge

# OPEN SCIENCE ECOSYSTEM

# LAYERS

## Level

- Government/Funding organizations
- Research performing organizations/expertise centre
- Research groups/Researchers

## Arena

- Infrastructure
- Skills
- Recognition and rewards
- Policies and regulations

## Research Phase

- Before
- During
- After

# CHALLENGES AND PRIORITY ACTIONS TO BE DEVELOPED IN OUR INSTITUTIONS

# Challenges

1

**Governance  
Policies**

2

**Services and  
Infrastrucutre**

3

**Training and  
dissemination**

4

**Alignment**

+

**Funding**

# NATIONAL INITIATIVES IN THE SHORT AND MEDIUM TERM

# OPEN SCIENCE ACTIVITIES
